**ⓘ Business tax accounts are currently limited to Sole Proprietors.**

Based on our records, you may not have access to a business tax account.

**Reasons why you may not have access:**

- You are not the sole proprietor nor a designated employee of a sole proprietorship
- You are a sole proprietorship, but don't have an Employer Identification Number (EIN)
- You recently registered your business (it could take up to 7 business days for the business to show up in your account)
- Your authorized access expired
- You declined or failed to accept role within 45 days. Contact your sole proprietor for re-designation.
- Sole proprietor removed you as an authorized business user

Think you should have access? Reach out to your sole proprietor.

Click on start authorization for clean energy business account authorization and that will take you to the 1st step of the creation of your clean energy business account.

**Clean Energy and Manufacturing Credits**

The Inflation Reduction Act (IRA) and the Chips and Science Act (CHIPS Act) offer credits for clean energy and manufacturing investments. Start the authorization process to determine if you may be eligible for credits.
